

May 2008 Vol. 1

Aloha Fellow Crafters!

We received the luscious Black Diamond Swirls Rhinestones, Tea and Silk Chipboard Quotes and Journal pieces, Paris clear stamps and the very Romantic felt adhesive backed swirls in black and white from Prima

For the cardmakers we have EK's cute fold punches in the Gift w/Bow, Flower and Teddy Bear designs. The Chipboard Castle, Sand Bucket and Cupcake albums are very, very adorable. Just the right medium to be creative and give as a gift. The little hands and feet stickers are too cute to resist.

K&Co. is back in full force with the NEW Sea Glass Designs. Nothing like the refreshing colors of the ocean to excite a scrapbook page or greeting card. There are embossed stickers, dimensional stickers, chipboard, rub-ons, ribbon, metal charms and gorgeous 12x12 paper. Come in and feel the cool breeze of the ocean.

Are we excited yes we are! Spent a few minutes putting together 'dressing' for dynamic cupcakes. The Sizzix cupcake die is a great tool to dress up your yummalisious cupcakes. We chose double sided cardstock to treat the eyes with wonderful color and design before eating the cupcake morsels. You can even create a matching card with the A2 size card die, such class. We also have those adorable wide eyed facial expression rub ons.

Classes and Activities you can look forward to:
