

A Place In Time

Little Scraps of News April 2010 Vol. 1

Aloha Fellow Crafters,

Despite the wind and rain we had some very Happy Easter Egg hunters on Saturday. We had colorful plastic eggs all over the store with discounts and prizes inside, but the (6) Dragon eggs with the Gift Certificates were all in stealth mode, very visible to the trained eye, but hidden to the novice eye. Dragon Egg Hunters and winners of A Place In Time Gift Certificates; Misty Phillips \$40, Rae Cullen \$30, Tori Martin \$20, Debra Martin \$20, Lorain Rumfield \$10. Congratulations to all the winners of Discounts, Prizes & Gift Certificates, you made the day fun. Our Sassy Paper Hat participants sure brightened our Easter Sunday with festive headwear and they were rewarded with great shopping discounts. Hope you all were blessed with wonderful memories on Easter.

We received the well designed Accucut dies of Super Jumbo Bag #10 (great little bag with handles), Matchbox #1, Mix & Match #2 (4 different page designs to make a dynamic chipboard albums), A6 Criss-Cross Card, A2 Foldout Card #3, A2 Pocket Card, Shadow Box Portrait, Border Flourish-Extra Long and Flowers #29 (4 pointed pedal flowers in 3 graduated sizes).

Friday, I was doing the Happy Dance because we received part of the Oceana designs with mermaids, jelly fish, sea horses, and under the sea scenes. There are chipboard stickers, cardstock stickers, alpha stickers, dimensional stickers, double sided sticky images for foiling, flocking, glitter etc., mini notepads, laser cut sea horses and mermaid paper. This is an eye popping exciting design in tones of blue, purple and orange. We also have the Creative Imagination Heart Book that would make a great project to decorate and give as a gift.

Some of the Prima order is also in the store with wonderfully romantic double sided paper,

string lace and paper flowers. Debbie West made a very beautiful sample of the Shadow Box Portrait die with the Prima paper and flowers, Sizzix border swirls and Elizabeth Designs sticker and glitter. The Shadow Box is ready for photos and journaling.
