

Little Scraps of News  
April 2011, Vol. 1

Aloha Fellow Crafters,

We have been having a fun time using the great embossing folders, kits and punches. Bill loves to create an instant card with the embossing folders and adorning it with wonderful dimensional or foiled embellishments. We just received a few of the Tim Holtz designed embossing folders and I know Bill's brain is running on overload. I started punching out two of our latest punch designs by McGill; tree branches and bamboo in preparation of designing a few greeting cards. I can just picture making an ikebana flower arrangement or bonsai with the branches. Then we have the Basic Grey Card Making Kits which I am really thrilled to make all 8 samples for less than \$2.50 a piece! There is so much to do and so little time in a day!

Tomorrow, Saturday, **April 16<sup>th</sup>**, we are going to have our **Annual Easter Egg Hunt for adults**. We have a great list of prizes and Bill is armed with Easter Trivia questions he is just bursting to play. Plan on a fun day starting with A Place In Time Easter Egg hunt and Trivia game, a little Easter shopping then hop on over to the Kailua Town party for more activities and entertainment.
