

Little Scraps of News
January 2010 Vol. 3

Aloha Fellow Crafters,

Well, tomorrow I am off to the Craft and Hobby Association show in Anaheim. I understand the weather is predicted to be torrential rain for all of California. It is great weather to be indoors crafting, not so great walking to the convention center with your craft bag. Nonetheless, it is California and like Hawai'i, the sun always smiles through the clouds.

We now have the Ayou Spica pens in a set of twelve plus the white. These finely ground glitter pens are extremely smooth to work with and excellent for coloring in a stamped image. The reaction is always "Wow!". Check out the Spica glitter pens!
