

Little Scraps of News  
May 2010 Vol. 1

Aloha Fellow Crafters,

It was an interesting trip to Texas to visit family. We experienced a Border Check Point and saw the Alamo. There was a hail storm that produced golf ball sized hail stones that pelted dents in everything and we saw beautiful cactus flowers buzzing with honey bees.

Lynell Harlow arrives in Hawaii today and we are very excited in offering her two classes. Lynell will also have a few new stencil designs for us to sell.

A few of our Tim Holtz Sizzix dies arrived with one more box on its way. I already have an eye on the Butterfly and beautiful Swirls. They would look very lovely with the new Basic Grey wedding line 'Capella', the very soothing 'Origin' in shades of green or the very playful 'Sugar Rush'. There is a large array of matching embellishments, double sided paper and matching 3 Ring Scrapbooks. I had also hand carried home the flocked and shimmering paper from Hot Off The Press. The selection is a crafters dream to make layouts, party favors, mini albums and tons of greeting cards.

While reading the newspaper last week, I came across the term 'Fertile' Friday which was misunderstood for 'Furlough' Friday. What a great idea in creating a positive impact for those affected by Furlough Fridays to do something productive. So we will have a little activity on Fertile Fridays. We will have available a \$5.00 mini project that can be done anytime during Fertile Friday. Our first Fertile Friday will be June 25 and the project will be available 10:00 a.m. to 5:45 p.m.

A new activity for the summer is having classes for 8-11 year olds starting Saturday, June 12<sup>th</sup>. The classes will be taught by Makana who is spending the summer with her grandparents. These classes will be one hour long. A parent is encouraged to be present during class.
