Little Scraps of News  
September 2010 Vol. 2

Aloha Fellow Crafters,

We had a grand time at the Scrappers Jam this past Saturday. We were so happy to see old friends and were very delighted to make new ones. The Make It and Take It project was stenciling with either mica powders or glitter on a 3x3 card. The participant also had to make the envelope with our new 3x3 envelope templates. An added surprise for the people who shopped at our booth was our introduction of an envelope making tool to fit the Scor-pal. We had quick demonstrations on making very, very, lovely envelopes in A2, A6, A7 and A10 sizes. We invite you to come into the store to check out these latest product made by A Place In Time!

Because of the added interest in stenciling, I will add a stenciling class on Wednesday, September 29<sup>th</sup>. Check the class schedule for more details.

The NEW Basic Grey Christmas paper arrived and they are beautiful double sided designs of plaid, floral and reindeer. We have the matching paper ribbons, buttons, 6x6 paper pads, rub-ons, dimensional embellishments, etc. On Friday we also received the very stunning black flock on purple and deep brown flock on pink paper from Hot Off The Press. You will have to see and feel these beautiful designed papers.

The Dreamweaver mica powders are back in stock as well as the all the emboss-

ing pastes. We also have the latest Christmas stencil designs.

If you have a little extra time to make a greeting card for our deployed troops to send back home to their family and friends we are collecting them through October 2, 2010, World Card Making Day.

We will have a Make and Take Dimensional card on World Card Making Day, October 2<sup>nd</sup> from 2:00 pm to 5:00 pm.
